

## CHAPTER 5: We Have Cause to be Uneasy

1. "There is nothing \_\_\_\_\_ about being pig headed and \_\_\_\_\_ to admit a mistake. And I think if you look at the present \_\_\_\_\_ of the world, it is pretty plain that \_\_\_\_\_ has been making some big \_\_\_\_\_. We are on the \_\_\_\_\_ road."
2. Lewis argues that he hasn't "taken anything from the \_\_\_\_\_ or the \_\_\_\_\_", only that he has led us to understand that there must be a "\_\_\_\_\_ or \_\_\_\_\_ behind the Moral Law."
3. He goes on to say, "We have two bits of \_\_\_\_\_ about the Somebody. One is the \_\_\_\_\_ He has made. ... The other bit of evidence is that \_\_\_\_\_ Law which He has \_\_\_\_\_ into our minds."
4. "... from this second bit of evidence we conclude that the Being behind the universe is intensely interested in right \_\_\_\_\_ —in \_\_\_\_\_ play, \_\_\_\_\_, courage, good \_\_\_\_\_, honesty and \_\_\_\_\_."
5. "When you know you are sick, you will listen to the \_\_\_\_\_. When you have realised that our position is nearly \_\_\_\_\_ you will begin to understand what the \_\_\_\_\_ are talking about. They offer an explanation of \_\_\_\_\_ we got into our present state of both \_\_\_\_\_ goodness and \_\_\_\_\_ it."
6. "They offer an explanation of how God can be this \_\_\_\_\_ mind at the back of the Moral Law and yet also a \_\_\_\_\_. They tell you how the demands of this law, which you and I \_\_\_\_\_ meet, have been met on our behalf, how God Himself becomes a \_\_\_\_\_ to \_\_\_\_\_ man from the disapproval of God."
7. Extra credit: How does the existence of evil and suffering support Lewis's conclusion that there is a Somebody or Something behind the "Law of Nature"?
